Subject: FCC File No. 0782-EX-CN-2017

---

Message:

Hello Mr. Behnam,

This filling should not be dismissed, it was submitted to extend the usage of the drones in Houston, TX for 1 additional month (until the beginning of December), based on original STA 1262-EX-ST-2017, call sign WL9XSL.

Thank you,

Robert Paxman
