To Whom It May Concern,

Since 1990, Intellitech Industries, Inc. dba Lookout Portable Security has been a manufacturer of security equipment for federal and state government. Our equipment uses standard, commercial, portable, handheld radios programmed to the user's FCC approved radio frequency. The equipment is tested on a small subset of UHF (451-467MHZ) and VHF (151-159MHZ). For more information on the products we manufacture, please visit our website at www.lookoutportablesecurity.com or call us for more information.

Sincerely,

Sutton Mehaffey
