RE: Application for Experimental License
Application File #0247-EX-PL-2010

SUBJECT: Request for/Assertion of Extension of
Special Temporary Authority (STA):
WE9XHV (#0142-EX-ST-2010)

To the Commission:

Concurrent with this filing, the undersigned requests and relies upon the regulatory grant of an extension of Special Temporary Authority for Experimental Radio Station WE9XHV, set to lapse on June 7, 2010 but for this extension. The undersigned relies on FCC Rule 5.61 (47 CFR Section 5.61) in connection herewith, and, pending consideration of the application filed concurrent herewith, operations shall be subject thereto at all times. Finally, SBE Coordination was obtained in accordance with the terms of the STA for WE9XHV and compliance with the terms of the coordination shall be maintained during this period of extension as well as during the term of any authorization granted subsequent to this filing.

Respectfully submitted:

/s./ James Edwin Whedbee
