1. In order to operate in MAG exclusive bands, you would need to have a military contract associated with this operation. Please submit the contract number with POC to confirm it.
2. There are a great deal of frequency exclusions on this STA, prior to proceeding with our coordination with the bureaus and NTIA, please remove them all or select a narrower band instead of 0.1-1000 MHz.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 09, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
