Dear Sir or Madam:

Enclosed find an application for renewal of a license expired February of this year. An application was sent in during the required time limit but due to a paper work delay at my company the check was not issued in time for the application to be granted. I have talked with Jim Burtle and Doug Young in the experimental licensing branch. They are aware of this problem and have asked me to resubmit with a letter explaining the problem. I have corrected the problem by using my personal Visa to ensure timely payment. I thank you for considering this application again. I may be reached by e-mail glen.long@jhuapl.edu or by phone 240-463-6930 if there are any further questions.

Sincerely,

A handwritten signature in cursive script that reads "Glen A. Long". The signature is written in black ink and is positioned below the word "Sincerely,".
