

**JVCKenwood USA Corporation
STA Application
IWCE Convention Demonstration
STA File Number 0807-EX-ST-2015**

This STA Application proposes the use of VHF land mobile allocations and portions of the 800 MHz land mobile band for very low-power demonstrations of Kenwood radio products at the APCO land mobile radio show on August 16-18 of 2015.

The “stop-buzzer” contact for this operation will be Mr. Joel Berger, at 678-449-8879.

The STA sought is similar to STAs requested and granted in 2005 through 2013 for operation and demonstration of Equipment Authorized devices at the IWCE trade show, Las Vegas, Nevada and the APCO trade show. The Prior STAs were WC9XDC, File Number 0129-EX-ST-2005; WC9XOF, File Number 0274-EX-ST-2006; WC9XWR, File Numbers 0075-EX-ST-2007, 0619-EX-ST-2007, 0084-EX-ST-2009; WE9XGZ, File Number 0111-EX-ST-2010 and 0130-EX-ST-2011; WF9XLC, File Number 0042-EX-ST-2012 in 2012; WG9XIH, File No. 0173-EX-ST-2013 in 2013 and 0192-EX-ST-2015.

Additional contact information is to JVCKenwood regulatory attorney Christopher D. Imlay whose contact information follows:
