Re: Request for Experimental License

Dear Sir or Madam:

We represent the radio system interests of James R. Carlson. On behalf of Mr. Carlson we hereby file his request for an experimental license for operation in Northern California for several frequency bands. Due to technical difficulties residing on OET's on line filing system we were unable to file this document on line.

In payment of the Commission's filing fee, we have enclosed herewith a check in the amount of \$45.00, payable to the order of the Federal Communications Commission.

As attorneys for Mr. Carlson, in accord with Section 1.12 of the Commission's Rules, please provide us with a copy of any correspondence regarding this application.

Very truly yours,

Delaney M. DiStefano
