Re: Application for Permanent License to
Cover Special Temporary Authority

Dear Mr. Jackson & FCC Staff:

This application is a continuation of the facilities previously authorized as
WD9XIT, WD2XIW, and WB9XWC.

The purpose of the station is stated on the STA for WD9XIT, as follows...

"Teaching students propogation testing in radiocommunications as part of an
educational curriculum investigating telecommunications in the Kansas City MO
School District."

The station and all tests conducted thereby shall continue to be in accordance
with Section 5.89 of Commission rules and regulations.

Best wishes,

/s./ James Edwin Whedbee, M.Ed.
