

MEMORANDUM FOR F.C.C.

FROM: JAMES E. WHEDBEE

RE: APPLICATION #0326-EX-PL-2008

Dear Sir/Ma'am:

The undersigned is aware that on certain frequency segments, and for particular services, frequency coordination is required within those particular radio services. If coordination would be expected by a particular service's licensees on a particular set of frequencies, that same coordination will be undertaken by the undersigned in connection with any testing and experimentation toward the development of antennas for that/those service(s). On frequencies or within services not requiring coordination, none shall be sought. To this end, I am...

Very respectfully yours,

/s./ James Edwin Whedbee, M.Ed.
