

APPROVED MODULES USED

STA FILE NUMBER: 1475-EX-ST-2017

The device to be tested under this STA, the Jiobit, M/N 4188N8762W, uses two FCC approved modules:

- FCC ID: VPYLB1DX
- FCC ID: N7NHL8548

While the regulatory testing on the final product has not been completed all the transmitters in the product have FCC grants.
