Message:

Mr. Jablonski,

What is the radius of operation in kilometer?

As you may already be aware the 401-406 MHz is allocated to medical devices including medical implants such as pacemakers and defibrillators. What's your proposal to not to cause interference to individuals with these types of medical devices?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 10, 2011 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
