Message:

Re: FCC File No. 0323-EX-ST-2012

Clarification Requested: Please verify the frequency bands and the ERP power.

Frequency Bands: The Doprad Fury 225EU-T Radar operates at C-Band, 5350-5460 MHz.

ERP: The Doprad Fury Radar has a 220W (Peak) transmitter using a 30.5 dB antenna. With losses the ERP is 220 kW, Peak.

Respectfully submitted
