Please submit addition information regrading the following questions below:

- 1.Is the radar mobile?
- 2.Is the intent to operate in both radionavigation and radiolocation modes simultaneously?
- 3.Where will the UAS be flying in the selected locations?
- 4.Is there any relationship between your locations and the nearest airports (Washington National, Santa Ana, and San Francisco Airports) near your area of operations?
- 5.Are you seeking "targets of opportunity" to test your radar? Will you be monitoring regular aircraft as well?
- 6.Is the radar of your own design, or is it sold by another manufacturer?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 22, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
