---

Message:

In response to your emails I have received feedback from the FAA - Kimberly May - that the necessary input has been provided and that we have a registration number NG T 110164. I am awaiting further information from FAA when they have considered the information. I will forward the response from FAA to Behnam Ghaffari by mail. I hope this is the correct information for your evaluation. Best regards Per Berntsen - Kongsberg Seatex AS
