Message:

I modified License Call sign WJ2XKC to add on some new radios we are testing. The new file number is 0077-EX-CM-2020.

When I go to the FAA website the new file number is not there.

When I use the call sign WJ2XKC the radios and frequencies I added are not shown for WJ2XKC on the FAA website.

Im not sure what to do.

Am I not able to modify WJ2XKC?
