

## OK City Stop Buzzer

The primary and secondary stop buzzer for the KRATOS UAS manufacturing facility is as follows:

|         |                |                                  |
|---------|----------------|----------------------------------|
| Primary | Harold Prosser | (405) 248-9541 or (916) 589-7210 |
|---------|----------------|----------------------------------|

|           |              |                                  |
|-----------|--------------|----------------------------------|
| Secondary | Drew Kennedy | (916) 992-5281 or (916) 675-2141 |
|-----------|--------------|----------------------------------|
