Subject: File Num#0156-EX-CN-2019 reminder on MAG pre-coordination data request

Message:

Regarding the recent email about "This notice is to remind you that prior coordination with the MAG is required for the frequencies requested in this application. Please upload the pre coordination document. Please disregard this notification if you already uploaded the MAG pre coordination document."

I uploaded a document that contains the US Army Contract number and a POC for the US Army Contract.

Is there a form or something I am supposed to get from the US Army POC to upload for this license? Or is the POC and contract number all that is required?
