Subject: 0182-EX-ST-2021 pre-coordination data request

Message:

The requested Government contract and POC info was previously submitted when adding in the emission data. It is unclear why the information was not retained by the licensing system.

The contracting agency is the US Army, the contract number is military contract is W900KK-18-D-0010, the POC is Chris McCravy, and his phone number is (256) 842 0373.
