Subject: 0512-EX-ST-2021 pre-coordination data request

Message:

Hello,

I have re-uploaded the FAA Frequency Coordination email I received as a PDF. Please note that this is just proof I have submitted a request two weeks ago. I have yet to hear back from them.

Also, I mistakenly put Las Cruces, NM down as the transmit location. The actual transmit site is at White Sands Missile Range and the coordinates are given in the supplemental material. What can I do to correct this inaccuracy?

Best,
Kyle
