Ben -

Thanks for looking at the application.

We did not request confidentiality for the application, only the single letter from the Army. The application itself and other attachments are not confidential - just the correspondence from the DoD. I believe that this is the same way that it was submitted in 0085-EX-ST-2010.

- Raymond

Mr. Quianzon,

You have selected the content of your experiment to be kept confidential, please submit a confidentiality request in accordance with the rules in CFR 47, Part 0.459(b) that lists nine items. Please attach your response in Q and A format, and list those attachments need to be withheld from general public viewing in response to item number one. The intended confidentiality request letter cannot be kept confidential; therefore, please do not include any confidential material in this letter.
