Message:

Mr. Quianzon,

Please check and correct the emission designators on the application; either, remove "G7W" or enter a bandwidth. There is one additional item missing with respect to the satellite and that is the antenna gain and beamwidth of satellite itself.

If there is no government contact associated with this application please un-check question number 7 on the application; otherwise, please provide the contact number awarded to L-3 Comm.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 06, 2010 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
