To all,

Headquarters Radar persons have been in training class last week until after Wednesday. Last week, I got the advise from another Headquarters person that if we have existing NG numbers, then I can update the Expiration date and submit to Headquarters. That was what I had done. The updated pending assignments were sent to Headquarters, but when I give to Mr. Amaral, the assignments still have the existing NG numbers, even though they were updated.

If we still need new NG T numbers then here they are:

NG 057011, M1025, new NG T090306
NG 057012, M1030, new NG T090307
NG 057013, M1060, new NG T090310
NG 057014, M1090, new NG T090311
NG 057015, M1095, new NG T090312
NG 057016, M1095, new NG T090313

In this email, I also cc o Headquarters Radar persons. So Headquarters can advise me also.

Thank you.

Phuong.
