

5.61(c) Statement

In conjunction with this experimental license request, L3 Security & Detection Systems, Inc. ("L3SDS") notes that it is currently operating pursuant to experimental Special Temporary Authority ("STA") granted on October 2, 2019 (Call Sign: WP9XJM; File No. 1757-EX-ST-2019). Pursuant to Section 5.61(c) of the FCC rules, 47 C.F.R. § 5.61(c), this application for permanent authorization is being filed within fifteen (15) days of the STA expiration date of April 1, 2020. L3SDS intends to continue the experimental operations as authorized by STA pending disposition of the permanent authority application.
