**Change in Stop Buzzer Information**

Laurel Technologies Partnership (“Applicant”) proposes following change in the “Stop Buzzer” information for experimental license WF2XDR (“License”):

Removal of all “Stop Buzzers” associated with license, and the addition of the following individuals as “Stop Buzzers”:

<b>Stop Buzzer Name</b>	<b>Title</b>	<b>Location</b>	<b>Contact</b>
Jim Kijesky	Test Engineer	All Locations	(727) 331-9719
John Townsend	Program Manager	Germantown, MD Location <sup>1</sup>	(267) 495- 9507

Applicant proposes no additional changes to the “Stop Buzzer” information for the License.

---

<sup>1</sup> As part of the license modification application for the License, Applicant proposes modification of Station 2 Location from Gaithersburg, MD (39-09-40 N, 77-13-48 W) to Germantown, MD (39-12-03 N, 77-15-39 W). *See* Antenna Registration Section for File No. 0172-EX-ML-2015.
