

Exhibit 1

**EXPLANATION OF
MODIFICATION APPLICATION
UNDER FILE NO. 0209-EX-ML-2012**

This modification application is submitted in connection with the IR&D testing performed under this license, in order to add a new 9.65-9.97 GHz band. Waiver of the Station ID requirements of Section 5.115 is respectfully requested.

No other changes are requested for the parameters under the license.
