Mr. Ghaffari:

In reply to your inquiry dated 3/5/14 to Jeff Hinke, this is to confirm that the STA Request has been updated to reflect a new Proposed Start Date of: April 2, 2014 and a new Proposed End Date of July 31, 2014. In addition, please note that the name of the applicant has been corrected to specify "Leidos, Inc.", tolerances have been inserted, and the sub-band of 149.4875-149.5125 MHz has been added to the Christmas, FL site because such sub-band was mistakenly omitted at the time of filing.

Should you have any further questions about this or any other matter related to this filing, please do not hesitate to contact me directly
