

**PUBLIC INTEREST STATEMENT**

**1. Introduction**

By the instant application (“Application”), Leidos, Inc. (“Leidos”) requests that the Commission grant a two year experimental license to permit Leidos to operate the facilities (the “Facilities”) specified in the instant application.

**2. Purpose and Nature of the Operation**

This experiment, a continuation of the operations previously authorized under WH9XCS, involves the demonstration of data link system requirements as specified by the contract between Leidos and US ARMY - PEO-STRI referenced below. The operation will demonstrate the data link system requirements as specified by the contract between Leidos and US ARMY - PEO-STRI. This includes the data transfer between the mobile elements and Fixed elements, consisting of Position Location information as well as certain types of events that are collected at mobile stations.

The operations under this license will be associated with the following government contract:

Customer/Agency: U.S. Army PEO-STRI Acquisition Center

Contract #: W900KK-11-C-0006

POC: Robert P DeGaine III, MAJ, FA  
PM TRADE - APM FMS  
407-384-3732

Waiver of the Station ID rules set forth at Section 5.115 is respectfully requested.

**3. Stop Buzzer**

Leidos hereby advises the Commission that the following will act as “stop buzzers” if any issues regarding interference arise during testing:

Don Logston, 407-271-7997  
Neal Sachs, 619-729-1415
