

Exhibit 1

Simultaneously with this renewal application, a modification application is being filed to delete the following bands from both locations on the WI2XOX license, with no additional changes:

Deletion of 420-470 MHz

As a result of the deletion of this band, Special Conditions 4 and 7 should be removed from the license.

Deletion of 1710-1850 MHz

As a result of the deletion of this band, Special Condition 5(a) should be removed from the license.

Deletion of 2483.5-2500 MHz

As a result of the deletion of this band, Special Condition 10 should be removed from the license.

In addition, the following items are noted:

- As specified in the Notification submitted to the Commission on 8/19/2019, the current Stop Buzzers are:

Brandi Moomau (540) 470-7151
Danielle Friedly (540) 421-9457

- As specified at Special Condition 9, the US Government contracts currently associated with the operations under the license are as follows:

W15P7T-10-D-D420 KZO1
W911QX-16-C-0012
CRN315177W909MY-15-C-0031

- As specified by email to the Commission staff dated 8/15/19, the Leidos POC for any correspondence or communications related to this license should be updated to reflect the following:

Brandi N. Moomau | Leidos
