

Exhibit 1

In connection with this Renewal Application for Station WI2XOR, it is noted that there is also pending with the Commission an application to modify the license to delete the Butlerville, IN location from the license – no other modifications to the license are requested.

As specified in the Notification uploaded 6/10/19, the current contract associated with the operations under the license is as follows:

Customer/Agency: Ground Combat Systems Division (GCSD) of the Night
Vision & Electronic Sensors Directorate (NVESD)
Contract No.: W909MY-12-D-0008
Govt. Contract POC: Hanh Dinh, HANH.T.DINH.CIV@MAIL.MIL
703-704-0856
