Dear Mr. Ghaffari,

Re: FCC Call Sign: WI2XNO
FCC File Number: 0084-EX-CN-2016

Reference is made to the above-referenced license, which I have also attached for your convenience. Liquid Robotics, Inc. no longer requires such license and hereby requests that it be cancelled. I respectfully ask for confirmation of cancellation as soon as you are able.

If you have any questions, please do not hesitate to ask.

Kind Regards,

John Brennan
