

PURPOSE OF MODIFICATION

Lockheed Martin Corporation hereby seeks modification of its authority issued under license WE2XEC to add a new GPS testing facility within its manufacturing complex at Grand Prairie, TX. These operations will be in support of U.S. Government contract HR0011-20-C0038.

The new location is identified by the following coordinates: NL 32-43-01; WL 97-01-49.
