Message:

Please address the followings:

1. Justification for using a very wide frequency range of Educational Broadband Service, Broadband Radio Service, and Advanced Wireless Service. Any specific reasons not to choose other bands.
2. An engineering analysis and explanation of how you would specifically avoid causing harmful interference to incumbent EBS, BRS and AWS operations.
3. More detailed technical information such as antenna patterns, antenna direction etc. Please explain the need for high level of power, 15,000 watts ERP, associated with non-modulated signal scheme, NON.
4. A stop buzzer POC information.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 20, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
