Message:

The proposed ERP 19.28 kW is very high and may cause interference to 3650-3700 MHz licensees in the area. Please justify the need to use this much power.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 20, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
