Ryan--please use these frequencies in lieu of the previous numbers when filing your application to the FCC.

M247.150, M358.125 and M366.625

Sorry for any inconvenience this may have caused.

v/r,  
Randy

Ryan—we need to change the two frequencies noted below. Working on getting replacements, then you can send to the FCC (not FAA) since these are not ATC requirements.
