Message:

Will there be 2-way communication (TX/RX) between CubeSat and the ground stations within the USA soil? If yes, please go back to your application and create new antenna for each ground station (in the USA) and enter the necessary parameters (i.e. frequency band(s), ERP, emission, etc.).

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 30, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
