Date: February 22, 2021

Subject: FCC File No.0968-EX-CN-2020

---

Message:

When determination for location of the ground station(s) are made, please go back to your application and insert new antenna(s) and enter the parameters (frequency bands, coordinates, ERP, emission) for each location.

Your operation requires ITU SpaceCap analysis. Please ensure you send a softcopy of the file to behnam.ghaffari@fcc.gov . The extension would have to be changed from .mdb to .txt

With respect to using 8000 MHz band, please submit Power Flux Density calculation.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 22, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
