

This authorization under call sign [WD2XVH](#) is for the same product and the same testing as the existing license. It is issued for the express purpose of conducting experimental operations described in the related application and required by US Navy, contract numbers N000164-10-G-WM05 and N000164-15-G-WM64; and BAE Systems Australia Contract numbers SC/SIPP/9709 and SC/SIPP/1101. The use of this radio station in any other manner or for any other purpose will constitute a violation of the privileges herein authorized. Except as subsequently authorized by the Commission, this radio station shall not be operated after the expiration date of the contract designated in the related application and enumerated above.
