Mr. Ron Repasi
Acting Chief,
Office of Engineering & Technology
Federal Communications Commission
Via electronic submission

RE: WP9XOE, Satellite transmission notification Dear

Mr. Repasi,

This letter serves as notification to meet Special Condition #2 of Experimental License WP9XOE that transmissions have commenced from our satellite.

We are grateful for you and your team's continued efforts as we continue to test and prove out our technology.

Best Regards,

Tony DeTora
VP, Government Affairs
Lynk Global Inc (formerly known as UbiquitiLink Inc)
