Mr. Kennedy -

I was out of the office yesterday for my father-in-law's funeral. M/A-Com is requesting 5 MHz bandwidth for this STA. All of the other information you mentioned in your voice mail and on the application (lat/long, 5 kmra operating area, e-mission XID, power and ERP is correct).

I am out of the office the rest of the week but will try to call you to re-confirm everything.
