Dear Mr. Olson:

WAZXFL

Although the Experimental Licensing Branch has granted your application for experimental authority, file number 5402-EX-PL-96, we call your attention to the enclosed FCC Public Notice, dated June 26, 1996, which states that all versions of FCC Form 442 older than the March 1996 revision are now obsolete. Information currently required is not included on older Form 442's, specifically the drug certification statement. Accordingly, we have enclosed a copy of the most recent form for your convenience, and request that you amend your above referenced application by submitting the information on the new form. Please make reference to the above file number on the amended form. You may submit the amendment directly to this office, at the address on the letterhead, to my attention. No additional fee is required.

Thank you,

*Nancy Hey*
