Message:

Please address the following questions:

1. Will there be 2-way communication (uplink/downlink) between ground station and aircraft?
2. Will there be any types of jamming or electric attacks during your testing?
3. What is the height of aircraft above ground level (AGL) during operation? (not MSL)
4. Is this a manned aircraft?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 17, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
