Hello,

I have not been able to get a response from GlobalStar for their approval for our experiment. The last correspondence from David Weinreich at GlobalStar to me was on 11/3 when he said he will give me an answer by 11/10. I have tried contacting him by telephone and email on several occasions since 11/3 with no response. Is there another contact at GlobalStar I could try? Could the FCC perhaps contact Mr. Weinreich? Please advise, thank you!
