Application for Special Temporary Authority
File No. 0154-EX-ST-2017

PURPOSE OF STA AND FREQUENCY COORDINATION

The purpose of this STA is to test an automobile racing communications system for voice and telemetry that is in the developmental stage by a single race team, RML at the Circuit of the Americas (COTA) Race Course in Austin, Texas on February 20 through 23, 2017.

The applicant requires two frequency pairs in the ranges 159 and 163 MHz for duplex voice operations.

The applicant has consulted the ULS database with respect to the VHF channels sought and believes that the specified channels are unoccupied in the area of the Circuit of the Americas Raceway.

The “stop buzzer” contact on site on behalf of the applicant will be Claire Cochran, the manager of automotive events at COTA, whose telephone number is 512-655-6428.
