DISMISSED-WITHOUT PREJUDICE

Dear Erica Whayman,

This refers to application, File No. 0208-EX-ST-2016, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. This request is HIA to federal operations in the requested locations. Affected operations include, but are not limited to, national security, safety of flight and law enforcement. The frequency band 162 – 174 MHz is allocated for federal Land Mobile Radio (LMR) systems and is very congested throughout the USA. NTIA suggests to use of federal/non-federal shared bands in the future.

Responses to this correspondence must contain the Reference number : 31251

Sincerely,

Nnake Nweke
Chief
Experimental Licensing Branch
