Date: September 08, 2014

Subject: FCC File No. 0783-EX-ST-2014

---

Message:

I apologize for the error in the operation end date on this application as filed. The operation end date should be 10/4/2014 (at the end of that day). I used an earlier template for this application and failed to change the operation end date. This is a three-day STA only.

Thanks for your help with this.

Chris Imlay, Counsel
