Document number - ELVL-2020-0045760

Dear Sir or Madam:

This message is to confirm that the NASA provided ODAR analysis for BeaverCube (ELVL-2020-0045760) was performed utilizing DAS 3.1.0. There is a typographical error in the report in Section 7.0 that erroneously references DAS 2.1.1.

Any questions that you may have can be directed to me at the phone number or email address below.

Best regards,
