Re: Fee Exemption

To Whom it May Concern

As per request of the FCC's ULS site for requesting an experimental license, fee-exempt applicants must show why we are fee-exempt. Please see below.

The Massachusetts Port Authority (Massport) is a state-agency (Massachusetts) that owns and operates Boston Logan Airport, the Port of Boston, Hanscom Airfield in Bedford MA, and Worcester Airport in Worcester MA.

We are not a commercial enterprise and are a creature of the Massachusetts Executive and Legislative branches.

If you have any questions, please do not hesitate to contact me.

Sincerely

Joe Reiter
