Subject: Request for Info - File # 0327-EX-PL-2016

Message:

As I stated in my previous email, the FAA has agreed to output power 720 watts; hence, issuing you the NGT number. Have you provided and shown the ERP 6079.689 W (ERP=output power + antenna gain) to the FAA? If yes, we can proceed with our coordination. Otherwise, I would strongly recommend for you to clarify this with them that the purposed ERP (=output power + antenna gain) is 6080 W.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 17, 2016 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
