Dear Sir or Madam:

For the STA application file number 2272-EX-ST-2019, when I added the attachment "Justification for STA Request for CBRS Band", I selected the "Confidential" button by mistake.

I just went to the link "Amend/Complete Application" to re-added the attachment and not checking the "Confidential" button.

Please let me know if this is correct. If not correct, please let me know the steps to make correction.

Thank you very much!
