Ok, now I understand. the second filing had both locations. sorry for the confusion. I'm fine with having both processed unless there is no risk of the two locations STA (1808 -EX-ST-2020) being denied due to an issue with either of the locations. as I mentioned Dugway UT is primary.

yes, I consent to you un-selecting the confidential box.

Thank you very much for info on the FAA. I will register asap.
